MANAGING SUCCESSFUL PROJECTS WITH PRINCE2 PROJECT MANAGEMENT

PRINCE2, one of the world's leading project management methods, has evolved to meet the needs of the future.
It has been updated to reflect the modern realities of managing successful projects in the 21st century, incorporating the latest processes, tools, and technologies to stay ahead of the curve.
Best practice has now become even better!

DID YOU KNOW?

32% of the budget
is lost when projects fail to reach their goals

About 2.3 million
new Project Managers will be needed annually by 2030

KEY FACTS

Globally
recognized
certification

+1 million
certified professionals
from various roles & sectors

Exams sat in
18 languages
in 150+ countries

WHAT'S NEW?

More Human | Recognizing the importance of human capital in project success, people management is now integrated into the PRINCE2 Project Management method.

More Sustainable | Sustainability is now added as a seventh aspect of project performance, aligning projects with environmental and social responsibility goals

More Innovative | Embracing Digital and Data Management, equipping you with the right tools to keep your projects up to date in the digital era.

WHAT'S IMPROVED?

More Flexible | Enhanced flexibility and customization with reduced rules and streamlined chapters while maintaining core elements of PRINCE2 Project Management, showcasing the true value of the method to all projects, across all sectors.

More Inclusive | With simplified language and content throughout the official book, PRINCE2 Project Management becomes more accessibleto everyone, including aspiring and experienced project managers.

More Compatible | Increased compatibility with Agile, Lean, and ITIL, to boost overall project performance.

Why SureSkills?

On Site - Training At Your Offices

We deliver training at your office, covering all of Ireland and the UK, with our highly skilled instructors.

Flexible
We work to your schedule and hold the training at your location. We can use standard training courses or customise content to suit the training and learning outcomes that you require.

Cost Effective
Take advantage of SureSkills' on-site training offering so that you can save on time travelled and 'out of office' expenses.

Better ROI
Increase your employee productivity, while minimising downtime. On-site training also allows employees to operate their actual own PCs and software, meaning that they can quickly use their new skills.
